- Major works on standing order.

“ All Hammicks staff are strongly customer focussed, knowledgeable and friendly. Their continuing efficiency in dealing with my subscription titles has saved me many valuable hours. Why didn't I transfer to them sooner?! ”

Library and Information Manager from a leading SE Law Firm

“ When I transferred all my firm's subscriptions to Hammicks, I was concerned about potential problems that may arise during the process, such as journal issues or looseleaf updates going missing. However, I needn't have worried; the transfer was easy, nothing went astray and I was kept informed of how the transfer was progressing right up until completion! ”

Hammicks Legal - books, ebooks, standing orders and supplements

Hammicks Legal Information Services maintain a broad stock range of professional law and tax titles. This means we are able to provide an unrivalled, first class book and subscription supply service to both UK based or international customers. Wherever you are located you can be assured that Hammicks can provide you with “peace of mind” and a fantastic service. We provide advanced information on titles, manage your standing order requirements and deliver on publication or on a “next day” basis within mainland UK for stock titles.

In addition, we offer a full suite of book service, including:

- Pre-publication ordering
- Standing order management
- Automatic supplementation of key works
- Out of print search and supply
- Specialist advance information

“ We transferred the majority of our legal resource procurement to Hammicks Legal a few years ago and have found the service to be extremely convenient and at no extra cost (and sometimes a saving) to ordering direct from publishers. Ordering and cancelling titles is as easy as sending an email and the customer service cannot be faulted ”
