# THE PERFECT GUIDE

## ARCHBOLD MAGISTRATES' COURTS CRIMINAL PRACTICE 2017

When you're practising in the Magistrates' Court, you need a textbook that informs and supports you with the turn of every page. In whichever direction you'd like your case to go, Archbold Magistrates' will be there to ensure you're going about procedures in the right way, and covering every important angle.

**The new edition includes:**

- New legislation; Psychoactive Substances Act 2016 and Coercive behaviour in family relations offences introduced by the Serious Crime Act 2015
- New case law in almost every chapter but particularly on procedure including abuse of process, case management and disclosure.
- New Sentencing Guidelines on Dangerous Dogs offences, Health and Safety Offences and Food Hygiene Offences and allocation.
- Entirely revised and up-dated chapter on Sexual Offences
- Updated and amended Criminal Practice Directions, Criminal Procedure Rules and Codes of Practice under the Police and Criminal Evidence Act.

As a barrister within five years of call, we're offering you a special 55% discount on the full price of Archbold Magistrates. Simply fill in and return the form overleaf to place your order.
